Title: Team Dog Handler/Walker

Duties include feeding, walking, exercising, jogging, cleaning up yard waste, disposing of trash, moving trash bins out on trash days, cleaning bowls, refilling water buckets, carrying 15 pounds of heavy water buckets, carrying and moving 40 pounds of dog food bags, moving beds, leashing of dogs with harnesses & specialty collars. Upkeep of property by tracking sound structure, observing and reporting any property damage such as plumbing, sprinkler, gardeners, vehicles & screening other vendors.

Assignments may include senior, handicapped, disabled dogs, multi-breed dogs, 10 pound to 110 pound dogs, walking 1-5 dogs at a time, maintain property for 7+ large breed dogs.

Trust and consistent service is extremely important to our distinguishing clients in the community.

The requirements are:

- live in DBar or very close
- willingness to walk the neighborhood
- have availability for 2-4 hours per day between mainly the hours of 8AM-3PM, must pickup 3 evening work assignments 7:30PM-9:30PM
- heavy text messaging, time sensitive texts, photo taking. Good, reliable cell phone with texting and photo capturing feature REQUIRED
- reliable transportation, must own vehicle in cases of transportation of dogs. No uber/lyft, bus, or bicycle for transportation.
- no work/animal work experience necessary

Competitive Pay: \$14-20 per hour. 3-week training: \$10.50 Our handler's average about \$16.65.

All assignments are in DBar with few in Walnut. There is great flexibility if your schedule changes for we can trade and cover each others' assignments. We are looking for about 3-4 hours per day, about 3-4 days per week, our needs are 70% Thursday-Sunday and 30% Monday-Tuesday. Majority of dog walking, feeding, care, will be between 8:00AM-12:00PM

and some evening 7:30PM-9:00PM assignments. The evening assignments are paid at \$20 per hour.

We decline a good number of clients/dogs because we do not take problem dogs of any kind (mean, aggressive, demanding clients). Must be willing to handle multiple small, medium to large dogs at the same time. Transportation of at least 2 dogs is required in your personal vehicle. This is 60% of the time.

Serious, mature, responsible college adults are great. Although this is part time work, long term employment commitment is preferred. Our high-net worth clients demand proper care AND a maturity level that is calm, collected, able to foresee problems and think for themselves for solutions.
