Note from Business:

Our small business is experiencing more opportunities in the wonderful city of Diamond Bar & Walnut. Twice, we have applied more effort, time and resources & the work still outpaced us. Our solid experience & background has been published as "the world's most sound pet service in all of the United States" and we back it with no charge if there is anyone better. The career path for the position of Business Development Manager or Business Development Manager is either:

- Chief Operation Officer or
- invitation to partnership in 12-months based on performance.

All assignments are in DBar with few in Walnut. There is great flexibility if your schedule changes for we can trade and cover each others' assignments. We are looking for about 3-4 hours per day which can be any day of the week.

We decline a good number of clients/dogs because we do not take problem dogs of any kind (mean, aggressive, demanding clients). Must be willing to handle multiple small, medium to large dogs at the same time.

Stay at home parents are ideal because the availability to work for a few hours and be there for the your kids is beneficial. Serious, mature,

responsible college adults are great. Although this is part time work, long term employment commitment is preferred.

We cordially invite you to bring your best business strategies to our DBar Estate Mgmt World. The expansion and future will be positively influenced by our new team members. Thank you and best of everything.
